

Check Out Pack 92 on www.Facebook.com!

What is Facebook.com?

If you don't know what Facebook is, you are behind the times! Facebook is a community/networking website that lets you get in touch and keep in touch with people around the world! I have found friends and family members that I haven't seen in over 20 years on that site! The best thing is it is FREE!

What can Facebook.com do for Pack 92?

One of the best features is it will let us share pictures, video, and other things with the rest of the pack that we cannot have on our normal website. Since our Facebook page is secure and "invitation only", we all can post pictures and videos of campouts, pack meetings, skits, and many other things to share with the entire pack. Also, it allows us to post events and happenings from the pack and sends out email "invitations" to all who are members.

How Do I Join?

Go to www.facebook.com and create a new profile. Make sure you join the "Tampa Bay, FL" network when you join. After you create a profile, click on "Groups" and search for the group "Cub scout pack 92". Request to join the group page and I will add you to the group! If you are having problems, email me at Darrinw2001@verizon.net or call me at 813-300-6840.
